2023-24 House/Local League Sponsorship Letter of Commitment

Dear Organization/Sir/Madam:

For more than 80 years, the Bradford West Gwillimbury Minor Hockey Association has been working within the community to support athlete participation and advancement for over 600 players and families in our area. Published studies have clearly shown the positive effect participation in youth community sports can have – not only on physical well being but also on improved mental health, greater likelihood of progression to higher education as well as creating a lasting link for youth with their community.

This year, our association is looking for sponsorship partners for the upcoming hockey season who share a passion for youth athletics and all children who play Canada's game.

How does my sponsorship help?

- It provides resources to ensure we offer the best available hockey programs.
- It ensures players of all ages and abilities are given opportunities to participate and excel.
- It improves player and coach skill development clinics.
- It helps with the purchase and maintenance of jerseys and equipment for our players.
- It fosters community involvement and partnership.

Your support goes a long way in continuing to enhance the quality and availability of hockey programs to families in our community.

I would be happy to discuss how you can contribute with a sponsorship for the athletes of Bradford West Gwillimbury who play minor hockey. To proceed, please complete the attached form and e-mail it to marketing@bradfordbulldogs.com. Alternately, you can complete the form online at our website at [Sponsorship House/League Online form \(Bradford Bulldogs\)](#).

Thank you once again. Your financial support towards minor hockey is truly appreciated and we value your commitment to the community. I look forward to hearing from you.

Many thanks,

Janice Tee
