Fall 2020 Sponsorship Letter of Commitment for 4-on-4 Hockey

Dear Organization/Sir/Madam:

Over 650 boys and girls played minor hockey in Bradford West Gwillimbury last season. For over 75 years, the Bradford West Gwillimbury Minor Hockey Association has had a history of community participation and athlete advancement.

This year, with the restrictions placed on our organization due to the Covid-19 pandemic, we are pivoting our programming to focus on the continued development of our athletes and will be running a 4-on-4 hockey league for 12 weeks beginning on September 28, 2020. We are looking for sponsorship partners for the upcoming hockey season who share this passion with all children who play Canada's game.

How does my sponsorship help?

- It provides resources to ensure we offer the best available hockey programs
- It ensures players of all ages and abilities are given opportunities to excel
- It improves player and coach skill development clinics
- It helps with the purchase and maintenance of jerseys and equipment for our players
- It fosters community involvement and partnership

Your support goes a long way in continuing to enhance the quality and availability of hockey programs to families in our community.

I would be happy to discuss how you can contribute with a sponsorship for the boys and girls of Bradford West Gwillimbury who play minor hockey. To proceed, please complete the attached form and e-mail it to marketing@bradfordbulldogs.com.

Thank you once again. Your financial support towards minor hockey is truly appreciated and we value your commitment to the community. I look forward to hearing from you.

Many thanks,

Janice Tee
